PROFILE

Frontend Developer with 2.5 years of hands-on experience in building responsive and dynamic user interfaces using React.js, JavaScript, TypeScript, HTML5, CSS3, and Tailwind CSS. Adept at delivering pixel-perfect designs with clean, maintainable code. A quick learner and collaborative team player, committed to continuous learning and delivering high-quality user experiences.

WORK EXPERIENCE

- Arus Info - Bangalore

JULY 2022 - JAN 2025

Associate UI developer

Camp@Arus

 - Developed a reusable component library to streamline development and enable easy integration across multiple projects.
 - Integrated REST API endpoints for seamless communication between frontend and backend systems.
 - Created responsive, mobile-first web designs using Tailwind CSS, enhancing the user experience across various devices.
 - Built and maintained a centralized dashboard that provided one-click access to all essential applications
 - Implemented and debugged key application features, resolved build issues, and fixed bugs to ensure smooth performance.
